INSTALL

- Install the free app.

- Tap on the *Hi icon*, and then scroll through the welcome to "Find my Library". The app will use your location to find your nearest library. If the app incorrectly identifies your library, you can search for it.

The important thing is that it identifies you as belonging to the OCLN network.

- Select your library.

- Enter your library card number and PIN. (By default, your PIN number is: ocln .)

Tip: If you can't find something, OverDrive uses three parallel lines to indicate a menu!

2. Explore

- Libby has two main areas: *Library* and *Shelf*.

Library   Shelf

Library lets you explore titles for check out, and *Shelf* shows you everything you have out. *Shelf* also offers options to track your activity, and review holds.

- Search for a title you wish to borrow—you can browse by subject or collection; or you can search by author, title, or keyword.

- Every search provides a summary of results. You can select a title from that summary, or tap *Refine* to sort and limit your search results.

- Tap on a book cover to learn more, and tap *Borrow* to check out a title. If a title is unavailable you can always select *Place a Hold*.

- Tap *Open Book* to enjoy your book! (You can also choose to keep browsing, or to go to your Shelf.)

- You can find all your items, including both loans and holds, under the *Shelf* section of the app.

3. Tips & Tricks

- All ebooks and eAudiobooks can be found through the OCLN main catalog. If you're searching for a title though:

  https://catalog.ocln.org

  the downloadable formats will allow you to check out the titles directly from the catalog, and access them in Libby.

- You can use the *Plus* icon to modify your default search and display settings!

- Use the *Download Settings* to control when your loans are downloaded—including automatically when you're on WiFi.

- Audiobooks display a set of headphones on their bookcover.

- Not sure when a book is due? Want to return it? Or just want to see the details about it? Tap on the title on your Shelf to review options.

- Do you have library cards for other systems? In the app menu, tap *Switch Library*, and search for your other library. Follow the same steps to register that card. All your loans from all libraries will appear in the same place. *Switch Library* allows you to change which Library collection you're viewing
