Scope and Content Note

This collection contains all materials which do not already have finding aids or arrangements. The majority of materials date from the late 1700s to current day, with the bulk of the collection being paper materials. These materials include: meeting minutes, census data, annual reports, account books, photographs, project proposals and plans, pamphlets, diaries, scrapbooks, correspondence, media, deeds, books and a few artifacts. This collection is arranged into nine series by document genre and is presented in alphabetical order. Subsequent organization of subseries are arranged alphabetically and then chronologically, as will be specified below. Notable materials in

this collection include: the Mann Diaries, Reverend Curtis Philip's Historical Scrapbooks, Sanitarium Reports and The Lucubrations of Isaac Bickerstaff.

Series 1: Atlases and Maps. The materials in this series date from 1794 to 2025. Subseries are arranged by document genre and presented alphabetically. Materials within each subseries are organized chronologically. The bulk of the materials are maps for the Town of Sharon and Norfolk County. There are also geographical maps focused on Norwood and Mansfield. Notable materials include: the Boston Evening Transcript and a working map for the 1831 Map of the Town of Sharon.

Series 2: Director's Materials. The materials in this series date from 1932 to 2024. Subseries are arranged by document genre and presented alphabetically. Materials within each subseries are organized chronologically. The bulk of the materials are collected for feasibility studies for the building of the new library. Notable material include: Trustee meeting minutes and physical stocks purchased by the Trustees in the 1990s

Series 3: Media. The materials in this series date from 1966 to 2015. Subseries are arranged by document genre and presented alphabetically. Materials within each subseries are organized chronologically.

Series 4: Official Reports and Laws. The materials in this series date from 1630 to 2023. Subseries are arranged by document genre and presented alphabetically. Materials within each subseries are organized chronologically. The bulk of the materials are annual reports for the Town of Sharon and the Sharon Sanitarium, as well as documents from annual town meetings. There are also quite a few annual warrants, zoning documents and by-law paperwork. Notable materials include: the records of the Ethical Society of Sharon, the records of the Sharon Improvement Association, the Sharon Women's Suffrage League Reports of the Secretary and the Tisdale House Consultants' Report.

Series 5: Real Estate and Vital Records. The materials in this series date from 1727 to 2023. Subseries are arranged by document genre and presented alphabetically. Materials within each subseries are organized chronologically, except for Subseries 2.6 Real Estate Records. Subseries 2.6 is arranged chronologically to better follow the original order of the documents. Most of the materials are directories, deeds and street listings. Notable materials include: census information transcribed by Reverend Philip Curtis and various deeds to the Town of Sharon.

Series 6: Reference Materials. The materials in this series date from 1762 to 2018. Most subseries are arranged by document genre and presented alphabetically.

Subseries 3.4 and 3.5 are arranged by subject matter and then listed alphabetically. Materials within each subseries are organized chronologically except for Subseries 3.12. Subseries 3.12 is arranged chronologically to better follow the original order of the documents. Most of the materials are genealogies, historical accounts, general reference materials and scrapbooks. Notable materials include: the Mann Diaries, books featuring prints and paintings from the Kendall Whaling Museum, the history of Lake Massapoag, Reverend Philip Curtis Historical Scrapbooks and a list of localities and places in Sharon dating from 1907.

Series 7: School Materials. The materials in this series date from 1848 to 2008. Most subseries are arranged by document genre and presented alphabetically. Subseries 4.3 is arranged by subject matter and then organized alphabetically. Materials within each subseries are organized chronologically, except for Subseries 4.10. Subseries 4.10 is arranged chronologically to better follow the original order of the documents. The bulk of materials in this series are annual reports of the School Committee. There are no notable materials in this series.

Series 8: Sharon Public Library Materials. The materials in this series date from 1888 to 2023. Subseries are arranged by document genre and presented alphabetically. Materials within each subseries are organized chronologically. Most of the materials are meeting minutes, photographs and reports. Notable materials include: a catalog of the Sharon Public Library from 1888, blueprints for the Carnegie Building, Library Trustee Meeting Minutes and photographs from the initial library opening.

Series 9: Miscellaneous Materials. The materials in this series date from 1720 to 2005. Most subseries are arranged by document genre and presented alphabetically. Subseries 6.13 is arranged by subject matter and organized alphabetically. Materials within each subseries are organized chronologically. Notable materials include: the Lucubrations of Isaac Bickerstaff, Our Lady of Sorrows Cookbook, the Hixon Family Scrapbook and a ship's logbook dating from 1835.
