Homebound Policy—Library on Wheels with Registration Form (Limited to Homebound Residents of Sharon)

The Sharon Public Library offers home delivery services to Sharon residents who cannot visit the Library in person, including individuals with temporary or permanent disabilities, health issues, or other circumstances that keep them confined to their homes.

Volunteer drivers deliver materials regularly, ensuring new materials are brought to homebound patrons, and collect materials to return. (*Volunteer drivers are required to pass Criminal Offender Record Information (CORI) requirements.*)

How it works:

- Materials are gathered for patrons based on specific materials requests or predetermined user-selected preferences. More information about these options is listed on the registration form below.
- Drivers deliver materials to patrons on Thursdays or Fridays and pick up as needed.
- A Library staff member will contact participating patrons once a week to check in and determine if the patron wants any materials delivered or picked up.

To register for this service, complete the *Library on Wheels Patron Registration Form* below and provide your OCLN library card number. If you do not have a valid OCLN library card, you will be required to apply for a library card before being able to participate in the Library on Wheels program.

Library on Wheels Patron Registration Forms are available at the Sharon Public Library, the Sharon Council on Aging, and online on the Library's website at <https://www.sharonpubliclibrary.org/>.

For additional information, or to schedule a delivery, please contact the Circulation Department at circulation@sharon.ocln.org or call 781-784-1578 ext. 1420/1421.

Once your registration form(s) has been received and processed, a staff member will contact you to set up your delivery.
