Yes thou art fled, and saints a
welcome sing.

Thy youthful spirit soars on
Angels wings.

Ver dar's affection might have
helped thy stay.

The voice of God has called
his child away.

In infancy she sought the Lord
And loved to pray and read his
word.

She learned submission to his will
And wished his precepts to fulfil.

Gone where he gives, supremely good
Nor less when he denies.

Even from his sovereign hand

Are blessings in disguise

It surely is not in his nature.
