# Teen Library Volunteers DO?

**Inventory our games and kits** - Are they ready to go out to the next patron?

**Get ready for activities** - Help the librarians prepare for crafts etc.

**Assist during activities** - Sometimes we need an extra set of hands.

**Clean up after activities** - Boy, those kids can make a mess!

**Decorate teen and children's areas** - Create a welcoming atmosphere.

**Laminate!** - Everybody loves the laminator.

**Help with book displays** - Putting them up, taking them down.

**Proofread or edit things like flyers** - Put your grammar skills to the test.

**Cut and slice** - There's almost always something to cut up.

**Special projects** - Do you have a unique skill? We'll find a project for you!
